AUTHORIZED GLOBAL DISTRIBUTOR

MANUFACTURING SUPPLY CHAIN SOLUTIONS

IBS ELECTRONICS

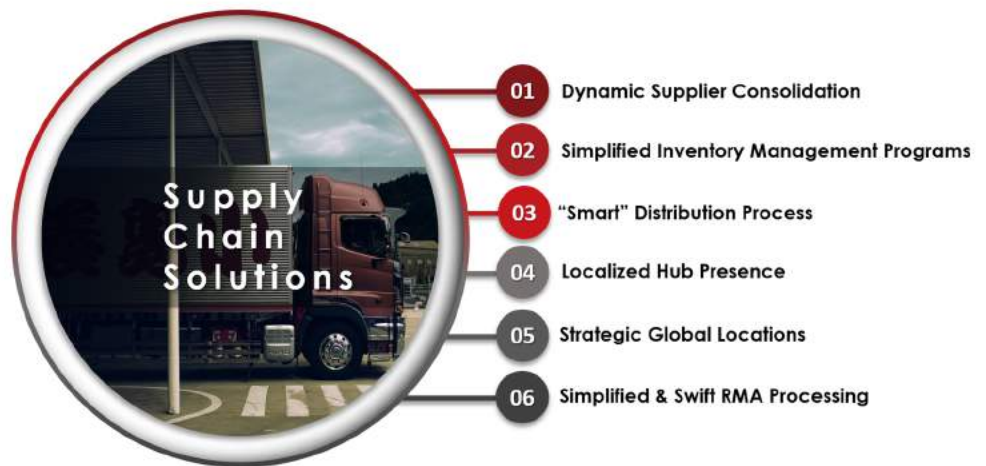

IBS Electronics was established in 1980 in Southern California as an ISO 9001 certified authorized franchise distributor and a global leader in the delivery of innovative electronic components and logistic solutions.

IBS' operates a highly effective global sourcing network with offices in Asia, Europe, and the Americas, providing a broad range of integrated sourcing solutions to leading original equipment manufacturers (OEMs) and contract manufacturers (CMs) across a wide range of industries.

IBS Electronics' expertise in quality assurance, technology, and supply chain management, together with our leadership in the global deployment of Lean and Six Sigma, enables us to provide a competitive advantage to our customers by improving time-to-market, scalability, efficiency, and supply chain management.

SUPPLY CHAIN MANAGEMENT

IBS Electronics creates an integrated supply chain with our customers and suppliers by becoming a seamless extension of their operations worldwide. IBS delivers "Best in Class" processes, information, technology, tools, and people.
